

NTSL VISION MARATHON

Set your Vision bold enough that you need a team to accomplish it!

Without Vision the People Perish. Without People the Vision Perishes. No man is an Island... you will not make it alone!

Welcome to **NTSL Vision Marathon!**

NTSL Vision Marathon is a lifetime journey, not a sprint. Success is overtime not overnight. Like Bruce Lee said, "I don't fear the man who kicks 100 times in one day, I fear the man who kicks one time for a hundred days". It's all about consistency and building a stable base of knowledge that you can reliably stack more knowledge on top of. That is our Ethos of sustainable progress in life - Health, Wealth, Love and Happiness (the 4 Pillars of a Good life).

If you are a Start-up this must be your eureka moment, a turning point in your quest for a Goodlife. If you are looking to grow that Vision, this is an exciting time to redirect that Vision and/or birth a new one. Whatever your reason for wanting to join the Vision Marathon, it is our belief that we will exceed your expectations.

It comes by Design." in black and blue. Below that, it says "Vision Marathon be part of it!" in black and blue. At the bottom, there is a small NTSL logo and the text "When you understand a thing, it will work for you" in a white, italicized font.
